SPATIAL PLANNING
PAS
PAS offer free, impartial and confidential telephone advice service to help with any planning issues, including wider planning issues in your community. They provide information about the planning system, with specific information sheets about common issues, and details of how to contact the planning authority in your local area.
pas.org.uk/advice

ARCHITECTURE AND DESIGN SCOTLAND
Supports communities to shape the places that matter to them. The website includes advice for communities on topics such as key place making issues.

ads.org.uk/design_advice_communities

Their Stalled Spaces toolkit is designed to help communities develop their own projects to bring life back to stalled or vacant spaces.

ads.org.uk/stalled-spaces-scotland-toolkit

Architecture and Design Scotland have produced The Place Standard Tool. This helps you map out How Good is Your Place? It provides a simple framework to structure conversations about place.

COMMUNITY PLANNING

COMMUNITY COUNCILS

A Community Council is a voluntary organisation set up by statute by the Local Authority and run by local residents to act on behalf of its area. As the most local tier of elected representation, Community Councils play an important role in local democracy.
