Edinburgh Castle is primarily a visitor attraction which can attract up to 10,000 visitors during the busy summer season. We aim to work as a wedding venue and visitor attraction, due to this restrictions are in place. From May to late September/early October Edinburgh Castle's esplanade is home to the Royal Edinburgh Military Tattoo. The arena is built from early May and is dismantled during September/October. As this is in the care of the Royal Edinburgh Military Tattoo, maintenance is out-with our control. Due to the Tattoo dates, we are also unable to accept wedding bookings during August.

We suggest that you book an appointment to come and view our on-site wedding venues and we can explain to you the workings of a Wedding Day at Edinburgh Castle.
